Parent Helpers & Volunteering

As in previous terms, on our first night back we will ask the Joeys which night they would like to assist with, and we will also allocate parents as helpers. The parent helper role may include:

- Supervising Joeys during activities
- Helping set up or pack up tables
- Assisting with washing dishes

If you are not rostered as a helper, we ask that you please wait in the den (tea and coffee available) rather than in the hall. This helps reduce noise and allows our volunteer leaders to be heard when addressing the group.

For our Joey Camp, we will also require parent support with travel to and from the city (by train), helping herd Joeys during city activities, assisting with meals, and possibly one adult staying overnight.

In addition, we are seeking volunteers to assist with our Christmas Tree Fundraiser on the weekend of 29–30 November. Even one shift makes a big difference!

Please remember that all our leaders are volunteers who generously give their time each week. Many hands truly make light work, and your involvement ensures we can continue to offer great programs and experiences for our Joeys.
