## **Additional Notes for Term 1**

This term, families will **not** be assigned a specific week to help.

On our first night back, Joeys will be invited to volunteer to assist on a night of their choice. When helping, Joeys will:

- assist with the opening or closing ceremony, and
- prepare a short 5-minute game or activity to share if time allows.

This contributes towards their badge work.

Parent helpers will be allocated based on Joey volunteers. Some nights may require extra parent support, and we'll contact families with clear instructions when needed. Please note we may not be able to run a Joey night without enough parent helpers.

If you're interested in being a regular helper or Scout Leader, please chat with Bec or Rach — extra hands are always welcome.

## **Parents at Joeys**

If you are not rostered as a helper, please do not remain in the hall during Joeys.

We'll set up a space outside the hall for parents to catch up when possible. Chatting in the hall during the program makes it difficult for leaders to run circle time.

Thanks for your support 🧡
