## SA LONES

# 108 YEARS ON...& WE'RE STILL SCOUTING

**GROUP LEADER & Lones Accounts  
Lone Rover Membership Officer & Accounts**

Hi everyone,

Where has this year gone?

Can you believe that Christmas is only a few weeks away?

Upon reading past Lone Trails, I can see that all our Members have achieved so much and, in most cases, had fun doing so. To make this achievable, it takes a special connection between the Youth Member and those supporting them, whether they are their Leader, Parent or Adult Helper.

On behalf of Lone Scouts, I want to thank you all for being there for one another, especially during these unusual and sometimes unstable, times. You have all remained positive and focused on setting and achieving your goals in Scouts and that is something very special!

**SCOUT LEADER POSITION AVAILABLE!**

Yes, this position is still available and we are continuing our search for someone who is keen to take on the role of a Lones Leader for the Scout Section. If you know anyone who is interested or maybe you would like to enquire about this position, please let us know.

In the meantime, *China* is still doing a wonderful job as our 'Acting' Scout Leader!

Thank you **China!**

**ANNUAL CAMP 2021**

We had 50 Youth Members, Leaders, Parents and Helpers attend this year's Annual Camp! Thank you to those of you that participated in the survey. We have had some great feedback and this will be reviewed so that we can apply this to next year's camp.

The camp activities throughout the whole weekend were also very popular and so was the menu, I might add. Haha!

The weather was even kind to us and the main thing was that everyone enjoyed themselves. I want to thank all who attended that made this camp successful! It's a jam-packed weekend filled, well, with nearly everything that you suggested.

I want to especially **THANK ALL THE LEADERS** for co-ordinating the Youth Member's ideas into this weekend. Not an easy task but you made it happen. **BRAVO!**

A very big **THANK YOU** to **Tanya Jaeger**, **Greg Hurrell** and **Darren Lodge** for feeding us all over the weekend. The hungry hordes were truly appeased with your wonderful efforts!

**MERRY CHRISTMAS AND HAPPY NEW YEAR!**

Thank you all for what you have put into this year!

To our **Leaders** and **Adult Helpers**, I can never thank you enough for the work that you do but I will continue to do so – THANK YOU.

I also want to thank the **EDITOR** of the **LONE TRAIL**, **Meg Haensel-Fuss!** The work and patience that you put into this publication is always appreciated – THANK YOU!

To our **Youth Members** and **your Families**, may you all have a very **MERRY CHRISTMAS** and a safe and blessed **NEW YEAR!**

Stay safe, take care,

*Bagheera*  
*Lee-Anne "Esme" Whitehead*

## JOEY'S JOTTINGS

# JOEY News

Hello Joeys,

Joey Scout Adventures and Achievements.

Firstly the **Joey Scouts** would like to wish **Adam** all the best in Cub Scouts as he moves on in his Scouting journey.

It has been a delight to have **Adam** in our Joey Mob through his journey of many visits to hospitals and Doctors, he has attended the zoom meetings no matter what, from his hospital bed, telling us all of his journey and making us all feel safe when not well.

Most of all he has taught us all about tractors and dairy farm life, what an inspiration this little bloke is. I can't wait to see and read his book about tractors he is writing.

Looking forward to seeing you at camps and hopefully you and your family will not be strangers.

All the best in Cubs young Man.

Thanks **Mum**, **Dad** and **Jack** for helping whenever you are needed.

Joeys would also like to welcome **Grace** who came to Camp in the holidays to see if she would like to join. Well YES she wants to join our Lones Group.

**Grace** is busy learning about Scouts and has made a book and sent to Darzee with all the new things she has learnt. **Grace** has set herself a goal to be able to achieve her Adventure and Sport Badge. **Grace** is aiming to swim by herself in the pool the length of her carpet at home, about 4 meters. So far **Grace** has learnt to float on her back and on her tummy, can put her head under the water, and kick with the board. Good luck with achieving your goal **Grace**.

**Max** is busy with all sorts of adventurous and sporting activities, little athletics, motor bike riding, basketball and most of all making his **Dad** smile as he recovers from an Accident.

**Max** has been very helpful at home and doing lots of jobs for **Mum**.

**Max** attended Camp and was a great Joey Scout.

**Max's** brother **Toby**, will be joining us soon, he is already attending Zoom meetings.

**Sam** attended camp and was eager to participate in everything there, he rock climbed, did the tube slide, participated on all he could on Challenge Hill, he led a song at camp fire that made us all laugh, yes it was Old Mc Donald heard a Fart?????

**Sam** since Camp has achieved his Growth and Development Badge as he made a pavlova, he found the recipe, worked out the science of how this was made, he sent me pictures and then rang me and we talked about the outcome, the biggest outcome was that everyone ate it and enjoyed it. **Sam** had a great time making it as well seeing how the ingredients changed. Well done **Sam**. **Sam** has also completed STEM and Innovation badge as he has been making things, he made a wooden game of naughts and crosses, a wooden toy and a pair of stilts from tin cans. He rang me and sent pictures of them all and told me they used these in Medieval days, and that they all worked and he had a good time learning how to use tools. He is now developing a poster about fire safety for his Creating a Better World badge.

**Tegan** is so busy with tennis and dance and working around renovations in their home. *Teagan* always has a smile on her face as she tackles anything, this was proven at Camp. *Teagan* is going to let us know what things she is going to do for badges. Maybe a phone call in the next few weeks. Well done *Teagan* with all you achieve when on Zoom, you are always willing to lead things for us on our meetings.

**Abigail** is tripping around Australia with her family. The last I heard she was in the West McDonald Ranges, rock climbing by the look of the photo she sent us. Hope you're having a great time *Abigail* and you're not having too much of this rain while you're living in a tent or a van. Can't wait to hear more about your journeys.

Annual Lones Camp was a success this year with a Medieval Theme; the **Joey**s suggested this and thanks to the **Rovers**, **Venturers**, **Scouts** and **Cubs** they followed the theme and we all had a great adventurous camp.

We made swords and horses from pool noodles, we decorated our costumes with heaps of colourful paintings on them.

Great team work was shown as we built a castle from cardboard it even had a letter box with letters in it thanks *Erin* and *Sarah*.

Great team work and design went into this castle. Medieval book marks were made thanks to *Cub Sarah* for leading this session.

Thank you cards were written thanks to *Teagan* for leading this session.

Thanks to *Adam* for suggesting and leading the cooking session when we made 'Pottage', it was a vegetable type of soup with barley and root vegetables, it was quite yummy so all said.

Thanks to the **Rovers** and **Venturers** and **Scouts** and **Leaders** for your great leadership skills when it came to anything that was needed, especially with the games and campcraft skills on the Saturday morning, the backup everywhere was exceptional.

Thanks to **Jake** for the fantastic first aid session and for bringing the Ambulance up and explaining everything to our members, it was a fantastic session, they are still talking about it. Thanks from all of us.

Thanks to **Raelene Green** for your seamstress skills for making the Medieval out fits for us all, they were great.

Thanks to parents, **Shaun**, **Nicole**, **Jilly**, and **Mark** your participation and help was much appreciated, the bosses of the castle did an exceptional job.

Thanks **Mark** for your wood working session and for getting it all ready.

Thank you to **Angela** and **Jack** for your help when needed, nothing was too much trouble for you to help us.

Thanks to **Scorpion** and **Koala** for your help throughout the weekend, muchly appreciated and what a great impact you had on our **Joey**s and **Cubs**.

Thanks to everyone especially **Andu**; and to the **Joey**s and **Cubs** for your ideas and leadership skills and for being such great 'scouting kids'.....keep hopping and stay safe.

**Merry Christmas and A Happy New Year**

## SCOUTING AROUND

G'day Everyone,

### HAPPENINGS

Numbers remain at 5 Scouts, and we have been active, zooming in weekly with various activities.

Some of the activities have included

- (1) an ex-CSIRO Scientist who helped us celebrate National Science Week by getting us to do some fun experiments at home;
- (2) a Murder Mystery activity;
- (3) a cooking challenge where Scouts made a marshmallow slice;
- (4) a first aid session; and
- (5) Commemorating Remembrance Day learning about ANZAC traditions (e.g. what were the origins of the Last Post, laying wreaths and flags at half-mast) and watching a video about the significance of the red poppy.

Some fast facts from the Australian War Museum in Canberra:

- It was not just men who went to war. In World War I, many Australian women volunteered as cooks, drivers, interpreters and other skilled positions. Female nurses served in countries such as Egypt, France and Greece, often in dangerous conditions, close to the frontline where they were exposed to shelling.
- It is estimated that the WWI trench system on the Western Front measured approximately 764 km in length. This is longer than the distance between Adelaide & Melbourne!

Other meetings have included puzzles, quizzes and discussions and Scouts were given three school holiday challenges – a time capsule, researching the Maremma Sheepdog and knowing their neighbourhood or town.

Our remaining activities for 2021 include a guest speaker who is MAD about Lego, building catapults, making Xmas care packages and a Xmas Party with Lone Venturers.

On the award scheme side, [Skye-Bianca](#) assisted Scouts heading off to JamX achieve Level 3 in their Bushcraft, Bushwalk and Camping components of their Outdoor Adventure Skills.

Congrats to [Angela Jaeger](#) who at the 2021 Eudunda Show achieved Junior Champion for three sections – Photography, Needlework and Cooking. Bravo! Only problem was emailing a winning biscuit to *China Mug*.

### AUSTRALIAN SCOUT MEDALLION

We would also like to congratulate former Scout [Belinda Jaeger](#) who will be recognised with her achievement of the Australian Scout Medallion, the highest Scout section award, at the Branch Youth Awards on Sunday 5 December 2021.

## OUR EVENTS

### Cohen Cup

*Lone Scouts* attended the annual Branch Cohen Cup at Woodhouse on the weekend of 11<sup>th</sup> and 12<sup>th</sup> September. We had *PL Angela Jaeger* lead the Griffins Patrol with *Jack Werner* (Lone Scout), *Leah Jaeger* (Lone Cub) and *Tyson Gibson* (Clare Scout & former Lone Cub), and we had *Thomas Jaeger* in a combined Patrol with College Park Scouts.

By all accounts, everyone had a great time, learning and doing.

A shout-out to the *College Park Scout Group* for both providing standing equipment (including spars and ropes) but also having its Leaders keep an eye or two over our Scouts.

A Big THANKS also to *Bear* for helping our Scouts on the weekend.

### Lones Annual Camp

Lone Scouts attended Annual Camp – see combined Scout & Venturer Report.

### JamX

We will have Scouts attending this state Jamboree to be held at Yakka Park in Lucindale from 4<sup>th</sup> to 9<sup>th</sup> January 2022.

Scouts going are: *Angela Jaeger*, *Thomas Jaeger* and *Matthew Puckey*. Our ASL *Skye-Bianca Hughes* is attending as well.

We wish all an exciting and fun time at JamX!

### Scout Leaders' Bit:

*Skye-Bianca* and *China Mug* would like to thank all *Scouts* for their perseverance and patience as a small Unit can have some challenges. It is great that we continued to be active and it was awesome to see Lone Scouts at Cohen Cup.

We look forward to 2022, and more Scout participation in our program planning.

*Merry Xmas & Happy New Year to Everyone!*

*China Mug*

Acting Scout Leader

*Lone Scouts & Venturers Paint-balling*

Hi everyone,

## **HAPPENINGS**

Lone Venturers have continued to be a busy bunch. We have now crept up to 18 Venturers after **Samuel Wakefield** from Balaklava joined us. Balaklava is 96 km north of Adelaide.

We have continued with our successful format having an activity night fortnightly then meeting on alternate weeks for about an hour for award scheme discussion/progress and event planning.

Since our last Lone Trail report, our activity nights have included:

- (1) award scheme preparations for JamX;
- (2) a Venturer showing us the fine art of making paracords;
- (3) guest speaker and former Chief Commissioner Harry Long speaking to us about the importance of youth participation in community leadership (we had also our Chief Commissioner Jan Turbill join us for the same activity) – it was awesome to have two powerhouses in SA Scouting join us for a night of discussions – *Thanks Harry & Jan*;
- (4) a Venturer presenting the world of anime to us – it was very enlightening to learn about this Japanese culture;
- (5) after the success of the Scout's Science Activity, Venturers had the same scientist joined us for an evening of do-it-yourself experiments – luckily no one blew themselves up!;
- (6) had an activity commemorating Remembrance Day; and
- (7) a cooking challenge with Venturers choosing a country (other than Australia) and cooking a dish from that country.

The fine dining dishes presented were (Venturer, country, dish):

- ★ Ashley (England) – Bangers & Mash
- ★ Anise (England) – Potato Cakes
- ★ Kiki (USA) – Pulled Chicken
- ★ Belinda (Italy) – Spaghetti Bolognese
- ★ Jayden (China/India) – Cinnamon Rice Pudding
- ★ Brodie (Thailand) – Glowing Spring Rolls
- ★ Jack McK (Thailand) – Satay Noodles
- ★ David & Benjamin (Germany) – (means “Emperor’s Mess”. It’s a lightly sweetened pancake that takes its name from the Austrian emperor *Franz Joseph I*, who was very fond of this kind of fluffy shredded pancake.)

Lots of badgework proposed, discussed, approved and earned last term.

With the New Program and because we zoom, Venturers get to hear what other Venturers are doing for their award scheme, and this is an awesome learning tool.

## **EXURBIA**

This is the name of the new Scout Outdoor Centre, which is now opened at  
134A The Parade in Norwood.

Continued support of the shop means it will direct its profits to supporting SA Scout programs. And on their website at <https://exurbia.com.au/scout-shop/>, which is the Scout Shop part of the store, they have used a photo of Lone Venturers at this year's Easter Venture. Yay!

## 2021 JOTA/JOTI

JOTA/JOTI (Jamboree-on-the-Air/Jamboree-on-the-Internet) is the World's largest Scout event taking place on the Internet and over the airwaves. Held every year in October, the event connects millions of young people around the world for a full weekend of online activities that promote friendship and global citizenship. JOTA-JOTI enables young people and volunteers to participate in fun and engaging group activities over the Internet and amateur radio focused on developing 21st century skills through Scouting.

This year, Venturers [Vanessa Keen](#), [Brodie Gaskin](#), [Jayden Howe](#), [Kiki De Poerck](#) and [Anise Piltz](#) participated with connections from all over the world, including Malaysia, Sweden, Denmark, Norway and Serbia. Thanks [Anise](#). You are a star (sorry for the pun).

We wish all an exciting and fun time at JamX!

### Venturer Leaders' Bit:

*Wolf*, *Koala* and *China Mug* would like to acknowledge that 97.238% of the program and activities are led and managed by Venturers. We have a keen and active core bunch, which continues to provide leadership, initiative and inclusiveness. **BIG THANKS!**

We also like to thank our Venturers for an awesome 2021, for every Venturer doing their best, for the older Venturers for being caring and inclusive, for leadership by example and showing initiative. It has been a year where Lone Venturers have made a mark in SA Scouting with achievements at Easter Venture and at Cohen Cup. Given what we have achieved in 2021, we all look forward to 2022 and am sure we can overcome whatever challenges are dropped on our laps, and continue to demonstrate our Lone Scouting spirit.

Cheers,

*China*, *Wolf* & *Koala*

## 2021 LONES ANNUAL CAMP – COMBINED SCOUTS & VENTURERS REPORT

At the Lones Annual Camp from 24 to 27 September at Woodhouse:

- ★ Scouts (6) – Angela Jaeger, Thomas Jaeger, Matthew Puckey, Jack Werner with Brock Gaskin from Roxby Downs SG and Tyson Gibson from Clare SG.
- ★ Venturers (13) – Travis Ind, Benjamin Ford, David Forg, Jack Pitt, Brodie Gaskin, Jayden Howe, Lachlan Stokes, Ashley Miles, Benjamin Faehrmann, Anise Piltz, Belinda Jaeger, Alex Strother and Samuel Wakefield.
- ★ Adults (5) – Skye-Bianca Hughes (ASL), Marco Forg (AVL), Cherie Gaskin (AVL), Yak Gaskin (Adult Helper who parks his caravan in the wrong spot) and China Mug.

Scouts and Venturers camped next to the Lones Hut, which was a great camp area with access to a new shower and toilet block. We made good use of the campfire and thanks to Woodhouse staff for the firewood.

The weekend started with off-site events on the Saturday.

Tried to leave at 7:45 am with a bus-trip (that was delayed because a certain Venturer was still asleep in his tent when everyone else had boarded the bus).

Activities on the day were:

(1) Paintball at Indoor Paintball at Port Adelaide. We had the whole place to ourselves, with 21 participants divided into 2 teams, and had 4 shooting events. Great to see lots of pre-event planning and tactics. And lots of fun and “ouches”, with laughs from many friendly-fire paintballs.

(2) Escape room at Mindshift Escape Room at Pulteney Street in Adelaide. We managed 23 people into 4 teams, with each set of 2 teams trying to solve the puzzle to break into each other’s room, and then swapping over. Lots of fun.

(3) Fox Hunt, organised by older Venturers, and this was commenced and ended at Hindmarsh Square. Lots of running and fast walking by the two teams. There were laughs as one misspelt clue sent both teams into a frenzy. Night time was a night-walk with Joeys and Cubs, and then Venturers head off to the Labyrinth.

Sunday brought about some pioneering and climbing activities with all sections, and after lunch, abseiling held by members of Scouts SA Abseiling Team. This was followed by a short hike and the Annual Dinner.

Monday was Challenge Valley and we *invested* 4 new Venturers – [Belinda Jaeger](#), [Anise Piltz](#), [Samuel Wakefield](#) and [Alex Strother](#), who had to swing across a rope contraption across a creek before the investiture ceremony. All got wet. Welcome to Lone Venturers!

### Scouts & Venturers Feedback

- All great and all enjoyed the camp.
- All really enjoyed the off-site activities, even though there was a minor stuff-up on the City Foxhunt.
- Enjoyed helping and having fun with Joeys and Cubs.
- All enjoyed getting to know each other better.
- The food was great and plentiful.
- Wake Jack Pitt up. (This was because Jack was still asleep in his tent when we all boarded the bus for our off-site activities.)
- The activity with Rovers was awesome.
- Laughing that China Mug got friendly fire during indoor paintball.
- Thanks to everyone who had a hand or two in organising the camp. Much appreciated.

### Leaders Feedback

- It was great to see the normally quiet ones open up during the camp and actually really participate and enjoy the activities.
- Great to see older Venturers take the initiative to lead and help the younger ones.
- Thanks to Benjamin Forg, David Forg and Lachlan Stokes for their leadership and positive attitude on the weekend, especially with helping others, checking on others, and organising/leading activities.
- Even though not part of Lones, Thanks to Brock, Tyson & Yak for joining us on the weekend. We hope you all enjoyed the activities. Sorry about the scars.
- Thanks to everyone who helped, monitored and assisted Joeys and Cubs with introductory games, pioneering, abseiling, campfire, challenge hill, night walk and other activities. Very appreciative of Scouts and Venturers who let Joeys and Cubs go first at abseiling. Both Joey and Cub Leaders were very thankful for all our assistance.
- Those that travelled furthest to camp were from Port Lincoln, Cleve and Roxby Downs. Thanks for making the effort.

Wishing you All a very Happy and Safe Christmas and New Year,

From The SA Lone Rover Crew
