SA LONES

109 YEARS ON...& WE'RE STILL SCOUTING

GROUP LEADER

-2-

Season's Greetings Everyone,

Wow, yet again it has been a very busy year for SA Lone Scouts!!

This year has been full on for us all – especially considering how much things have changed since my last Lone Trail report back in June 2020. As some of you may recall, back then, I intended to take a six-month break but this turned into twelve months due to things taking a lot longer than expected. It was great to hear that everyone was still doing amazing things during the height of the COVID pandemic and overcoming the challenges that each wave brought with it. During this time away from the Group Leader role, I have had three operations and worked for three different companies without even changing where I work – things come in three's, I guess.

Work has been busy also, with the flooding in the Eastern states having a huge impact on how the rail industry is doing things right across Australia. The recent derailment in Victoria has also changed the play book in a significant way.

As a Leader, writing our bit for the December Issue of the Lone Trail is a good time for us to reflect on what everyone has been doing for the year. One thing is for sure – **SA Lone Scouts** certainly have not been idle by any stretch of the imagination.

We have seen many of our members participate in a large array of activities, all over the place and it is great that there are many photos in our Lone Trail's to record this for future generations.

It should be noted that this edition of the Lone Trail will be the 95th – meaning that Meg has been the Editor for almost 25yrs. A huge BRAVO and Thank You to Meg and the support she also received from Graeme to make it happen.

[Yes, my first edition was March 1999 and this should be edition No. 96, but one time I doubled up on the number of the editions, Whoops! - M.]

We have seen many changes over the years but it has been great to see that the core purpose of the Lone Trail has remained the same – to communicate within our extended Lones family about how much we enjoy Scouting and what it has to offer. We are one of only a few Scout Groups that continue to do a regular newsletter about our antics.

In my view Annual Camp was a success and everyone seemed to have a great time with the array of activities. The whole Group activity on the Saturday went exceptionally well by all accounts and a huge *Thank You* to the *Scout Sub-Aqua Group* for making this happen for us. Both Lones and the Sub-Aqua Group have learnt from this experience and we look forward to doing something similar again in the future. We were able to make the most of the resources and activities being offered at Woodhouse and the weather was certainly on our side - I do not think I saw anyone idle for too long.

A huge Thank You to all the Leaders, parents, family members, cooks and you for all coming together and working as one for the weekend.

Bagheera Lee-Anne has sent out a survey and please take the time to complete this if you have not done so already. We use your comments and suggestions to work on ideas for future camps and activities.

I look forward to seeing the many photos of you all doing stuff throughout the rest of this edition.

The passing of Her Majesty, Queen Elizabeth the 2nd, was well observed (not sure if right word) during Annual Camp and the Barmera Big Bash Camp a few weeks before.

Thank You to all who took the opportunity to mention Her Majesty in their morning parade prayers or graces at meal time.

A new Patron for Scouting is yet to be announced but whoever it may be, they certainly have big shoes to fill.

Just before Annual Camp, SA Lones helped to organise one of the biggest camps that South Australian Scouting has seen in many years at Barmera.

The photos and reports I have seen so far have been fantastic. It was great to hear that a large amount of this camp was organised by OUR Venturers and their tireless work cannot go unnoticed.

A huge BRAVO to you all.

Congratulations to several our Youth Members, Leaders and family members who received awards this year or were recognised for their service within Scouting and the community.

It is important that we recognise the achievements of our members as it shows to others that we appreciate the tireless work you all do.

If you think there is someone that needs recognition, then please let Chris or myself know.

As per my previous Lone Trail reports at this time of the year, I will take the opportunity to thank all the Leaders for their tireless work and I know at times it has been trying but everyone has still had a great time, I am sure. As many of you are now busy with Harvest and end-of-year wrap-ups, I hope that all goes well and that this work is completed by Christmas but highly unlikely due to the weather, unfortunately.

Please take a moment to communicate to your Leaders and fellow Lones Scouts over this time, so that you can continue to build on the great friendships you've all developed.

A big BRAVO to everyone.

Have an enjoyable Christmas and a safe New Year.

Andre
(*'Diesel'*)

To ALL our Wonderful Lones Leaders & Adult Helpers,
THANK YOU
for being there for us throughout 2022.
Have a happy and safe Christmas and New Year,
from the Lone Joeys, Cubs, Scouts, Venturers & Rovers

ASSISTANT GROUP LEADER

Hi everyone,

I hope that my report finds everyone with their feet dry and on firm ground! Who would have thought that we would be experiencing cool, wet days leading up to Summer? Unfortunately, it has delayed harvest in a lot of areas, affecting some of our members and frustrating others but other than hay turning black, I haven't heard too many complaints from the local farmers. It has, however, had a negative affect on some Scouting events, so I look at our Annual Camp this year and am very thankful that we were blessed with great weather!

ANNUAL CAMP 2022

Once again, I would like to thank all who attended this year's Annual Camp. Apart from having too much cake on offer (I swear, it was all donated to us! What could I say?), everyone had a great time and we can thank the **Lone Scout Leaders** for their management of the ideas that the Youth Members suggested. You all did a wonderful job!

Our attendance was around the 50 mark yet again and we managed to avoid wet camping gear by extending the hire of the Bunkhouse an extra day to allow the Scouts and Venturers to move in when everyone else went home.

Another big THANK YOU to our Cooks for the weekend, well, not just cooks but also food preps and connoisseurs. **Greg Hurrell**, **Darren Lodge** and **Tara Whitehead**, your work over the weekend is always appreciated and never goes unnoticed.

The **Parents** were amazing as well and it's almost looking like we can start an 'Old Member's Unit' at camp! Your participation over the weekend was once again AMAZING!

SCOUT LEADER POSITION AVAILABLE!

I'm just putting this here because we have been looking for another Scout Leader to take this position on now for over 12 months. If you are interested or know of anyone who would like to take this on, please encourage them to do so.

A **BIG THANK YOU** to **China** who has filled this position during this time. Always immensely appreciated!

MERRY CHRISTMAS AND HAPPY NEW YEAR!

Thanks is never enough for those who make something like Lone Scouts successful but it's always appreciated especially to our wonderful Leaders who volunteer their time willingly – **THANK YOU!**

To our Youth Members, thank you for your participation in everything 'Lones'! We are so grateful that you chose us to help you to continue your Scouting journey – **THANK YOU!**

To **Andre**, who so willingly took over the position of Group Leader that I was struggling to full-fill. It's an important job that needs someone with both Scouting knowledge and Lone Scout compassion and Andre does both so well – **THANK YOU!**

To **Meg Haensel-Fuss**, our Editor in Chief of 'The Lone Trail', who packs as much as she can from everything that you give her into a quarterly edition that shows all members and friends what we are all up to and have achieved – **THANK YOU!**

To our new Auditor, **Graeme Fuss**, for taking this on – **THANK YOU!**

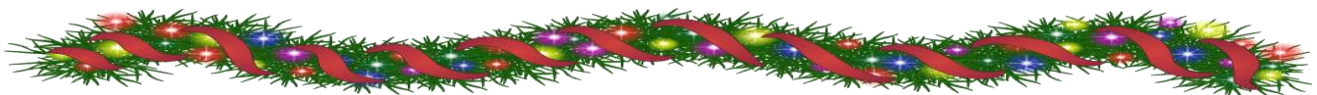

To our Friends and Families involved with Lone Scouts. All the travelling you do, the patience you have with both us and the Youth Members (yes, I was once one of those), you make it happen for them – **THANK YOU!**

Finally, I want you all to look forward to the future and plan your dreams!

MERRY CHRISTMAS from me to you and make those dreams happen in the **NEW YEAR!**

Stay safe & take care,

 *Bagheera*
Lee-Anne "Esme" Whitehead

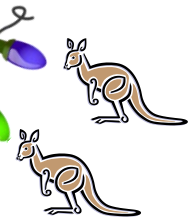

JOEY'S JOTTINGS

Hello Joeys,

JOEY News

It's almost Christmas and nearly 2023 and do you know what, it's nearly my Birthday too! When writing this report it is only 33 sleeps till Christmas Day and 36 sleeps till my Birthday. I wonder if you have been good this year? If I should be asked by the BIG MAN IN RED with a white beard and twinkly eyes if I know you and if you have been good, I will say a big YES as I have seen that you have ALL been EXCELLENT.

Who Can guess who I'm talking about???

I think he will need a boat on his sleigh to get to a lot of places this year.

It was Great to see everyone at Annual Camp.

We welcomed *Saabi* to the Joey Mob and he has been on Zoom each time since then. Great Saabi.

Grace, Toby and *Liam* were there too. We certainly have a group of little fish in our Mob not to mention very active Joeys.

Toby, Liam and *Saabi* all were Invested at Camp.

Our 5th Joey came from Camden Park Scouts, it was a joy to have you *Kai* and also your *Dad Peter*, you are welcome to join us any time.

I was so impressed with the Joey and Cubs this year at camp, writing and leading our Scouts Own, and paying tribute to the late Queen Elizabeth.

For those not there, they made a wreath with wattle and leaves and said a prayer. They also sang Advance Australia Fair.

It was very touching it made me shed a few tears. Well Done to the Cubs and Joeys.

Zoom is going well this term, with bird counts in the areas the Joeys live in and bird activities. Well done.

Remembrance Day was talked about and all did something at their schools And communities for this. *Saabi* also went to the community Memorial and layed some beautifull native bottle brush flowers. Most impressive *Saabi*.

Grace told us a joke last week on Zoom.....**WHAT ARE BEARS WITH NO EARS?**

.....B's

Did any one watch the Christmas Pageant on TV, I did! Has any one put up their Christmas Tree yet? No I have not but I know one Joey who has, I wonder who this is ?

This week on Zoom we are making a Father Christmas. We will put pictures of them in the Lone Trail next time.

We are having a Cub and Joey Christmas Zoom meeting on the 21st of December at 7pm. So bring along your Christmas game or song

or joke, so looking forward to meeting you on this meeting. Hope you can stay awake that long Joey's.

The Joeys were busy at camp earing badges too many to list here.

Now in the next holidays may be you can start to do things in your Outdoor Adventure Skills Badges, especially Bush walking, Camping and Bushcraft.

Perhaps you can look up what to do for Cycling and paddling Badges.

Talk to me on Zoom or send a message or phone or even write me a snail mail letter!!!!

Now I wonder which way the Man in Red with the white beard and sparkling eyes will come??

Will it be from the North so he can go to *Toby & Max* first then to Adelaide to *Kai* and *Grace & James*, and then to *Erin, Liam & Teagan*. Yes I think he will go this way, as the Reindeers can have a rest as he sails down the Murray on a fallen tree to the Lakes so they can visit *Saabi*.

I hope he sees as many birds as we have this term on his big trip around our country.

Sure hope he can find time to come to my house too, I will leave some snacks out for the Reindeer and him.

Thank you for being excellent Joeys and thank you to the Adult Helpers,

Wishing you all a great Christmas and wonderful 2023.

Keep on hopping and smiling Joeys,

Malu Sue

CARRY on CUBBING

Hi Everybody,

During Term 3 we welcomed **Valarie** from Moonta Scouts Group and **Will** to our Cub Scout Unit plus at Annual Camp we welcomed **Teagan** from the Joey Unit. Last term we had a fun fact about your favourite Aussie Animals and Farm Tour with **Adam**.

We are extremely proud of how the all the Cubs and how they are all doing really well with running/hosting our Cub sessions 😊

Will attended Barmara Backyard Bash on the 2nd weekend in September and from all reports everyone had a great time and learnt some new skills.

A BIG thank you to **Annise** and her helpers for a fabulous weekend for those who were able to attend.

2022 Annual Camp

The 1st weekend of the October school holidays we all headed to Woodhouse for our 2022 Annual Camp.

Erin, Max, Sam, Sarah, Teagan and **Thomas** joined the Joey's for the fun filled program.

The highlights were:

going on the tube slide, trying snorkelling, ice blocking, going on Challenge Hill (thanks **Rovers** for joining the Cubs and Joeys), but most of all we enjoying catching up with each other face to face.

SCOUTING AROUND

G'day Everyone,

SCOUT NEWS

With Lone Scouts helping other Groups who currently don't have Scout Leaders, we now have Renmark and Moonta Scouts joining in our weekly Zoom sessions. It's always great to have a variety of Scouts from different locations. Adds to the richness of Scouting. Hope you all enjoy our Lone Scout program until your Group finds you a new Scout Leader. We also have some Scouts from Barmera and Roxby Downs zooming in as well. You are all welcomed at all Lone activities, including our awesome annual Group Camp at Woodhouse.

We also bid farewell to **Tyson Gibson**, who was invested into Lone Venturers at our 2022 Annual Lones Group Camp. It was great having you at Lone Scouts and we all wish you the best in enjoying your time with Lone Venturers.

WEEKLY ACTIVITIES

Since the last edition of the Lone Trail, our weekly Tuesday night activities continued in Term 3 with the theme of Chaos:

- (1) "Chaotic Games", where we played several chaotic games including a Mission Impossible scavenger hunt;
- (2) "Chaotic Simon Says", and yes there were some crazy chaotic moves by some Scouts trying not to get caught;
- (3) "Chaotic Pioneering", where Scouts had to (a) create their ideal camp gadget using Lego, toothpicks, cards, paddle-pop sticks, straws, paper, cardboard, etc. and (b) design their next Unit campsite will look like. It was quite a hilarious night.

In Term 4, we concentrated on activities that would progress our award scheme, like (1) Communicating without talking; (2) Role of the SES; (3) What we do during bushfires, including the newly adopted risk chart now used by all states and territories; (4) Knots, including those used in fishing; and

(5) Recycling – what's it all about. We are also getting more Scout engagement with an average of 9.333 Scouts per meeting.

BACKYARD BARMERA BASH

Some Lone Venturers came up with an idea and embarked to planned, organised, prepared, and managed a weekend camp from Friday 9th to Sunday 11th September based at the Barmera Scout Hall. We had 94 people on site, included groups from **Lones, Barmera, Gawler, Loxton, Nuriootpa, Renmark,** and **Waikerie**. We had 4 Lone Scouts at this camp. Activities included a campfire and skits, Lake Bonney walk, heritage walk, town cryptic scavenger hunt, canoeing, water play, RSL visit and a visit to the Cobdogla Steam and Irrigation Museum which included a ride in a steam-driven train.

2022 ANNUAL LONES CAMP

Starting on the evening of Friday 30 September and ending in the afternoon of Tuesday 04 October 2022, we had 6 Scouts at our annual Lones Group Camp, which also had Joeys, Cubs, Venturers and Rovers attending.

The 6 Scouts were 3 Lones, 2 from Moonta and 1 from Roxby Downs. Both Scout Leaders attended. We camped and had combined activities with Lone Venturers, which included:

- (1) camp activities like campfires, ice blocking, challenge hill, wide games, etc;
- (2) snorkelling at the Adelaide Aquatic Centre under the watchful eye of the Scouts SA Sub-Aqua Group;
- (3) Space Balls (playing basketball while being hung from the ceiling in a climbing harness) at the Fullarton Scout Hall;
- (4) Annual formal dinner (great food);
- (5) a service activity on Challenge Hill spreading pine bark at and around challenge equipment;
- (6) Trangia cooking session;
- (7) learning how to use a GPS, including an Outdoor activity.

During the camp, it was great to see Scouts not only participating in activities but took the initiative to help Cubs and Joeys with several activities.

With regards to the Award Scheme, many milestones, SIAs (Special Interest Areas) and OAS (Outdoor Adventure Skills) were achieved.

JOTA/JOTI

We had a small gathering of 1 Cub, 3 Scouts and 1 Venturer this year for the worldwide Scout/Guide event Jamboree On The Air/Jamboree On The Internet.

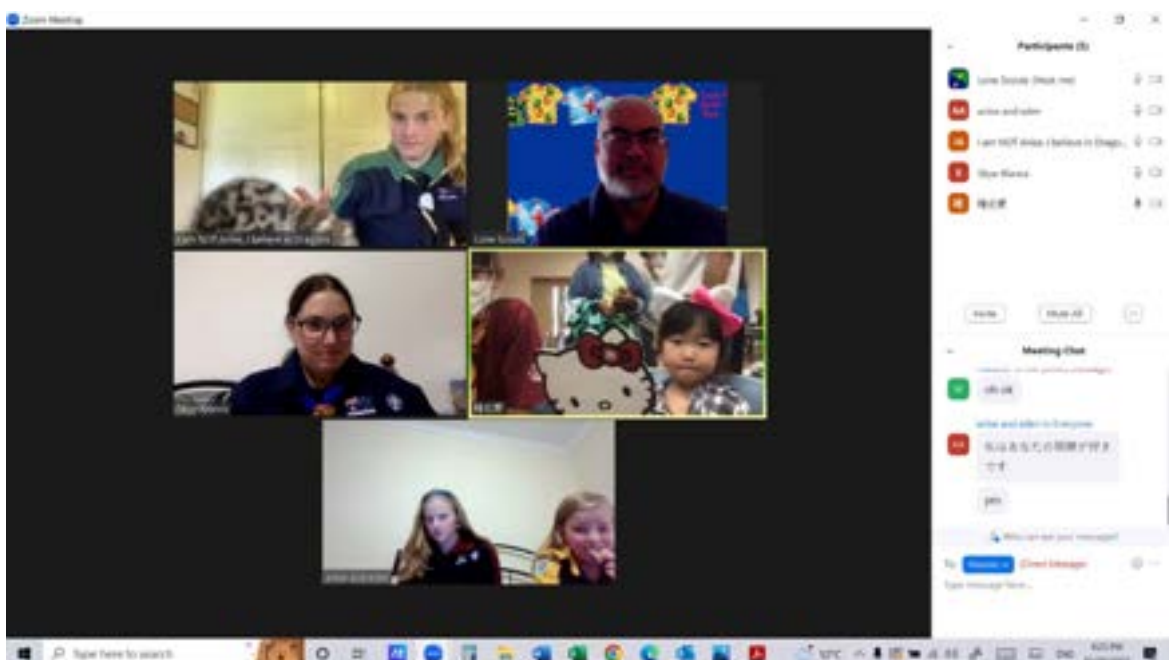

China Mug did an intro, provided tips on online safety and then everyone got onto the webchat forums managed and monitored by WOSM (world Scouts organisation) at

<https://webchat.scoutlink.net/>

The Cub was reportedly speaking to 10 Scouts from around the world at the same time!

We all managed to speak to Scouts from all over the world including: England, France, Norway, Denmark, Canada, Tahiti, South Korea, India, Singapore, Malaysia, Indonesia, New Zealand.

We also had a zoom session with the 9th Ibaraki Scout Group from Osaka, Japan, for almost an hour. They were excited when they saw emu chicks, courtesy of the Piltz family.

THANKS & CHRISTMAS

Skye-Bianca and China Mug thank Scouts who have participated in the Lone Scout program for 2022. We hope you have enjoyed the activities, and we will continue to run a fun and challenging program in 2023 with your ideas and suggestions.

We wish all Scouts and their families a wonderful Christmas and New Year, a great time to catch up with families and friends, take some time out for yourselves, think of, and help others, and enjoy our Australian Summer, no matter what the weather holds.

From a Lord Baden-Powell quote: *"A Scout smiles and whistles under all circumstances"*.

Tonnes of thanks and appreciation go to *Anise Piltz, David Forg, Jack McKenzie* and *Benjamin Faehrmann*, who combined with several Gawler Venturers to manage the very successful weekend primarily for the Three Rivers Scout District.

LAND YACHTING – A road trip to do land yachting at Lake Ellen (near Lake Eyre) is planned for the July school holidays from Saturday 08 to Wednesday 12 July 2023. Although the road travel is quite long, it looks like an awesome trip and includes a ride on the Pichi Pichi Historic Railway.

ADIEU

We bid farewell to **Koala** who resigned on 18 Oct 2022 from being one of two Assistant Venturer Leaders for Lone Venturers. Koala joined Lone Venturers on 24 Mar 2021 and has been a great help in providing adult leadership and with enthusiasm taking on the task of recording and monitoring the award scheme for Venturers. We will miss you. We wish you the best with your Scouting endeavours.
