

6:00 to 7:30 pm
Wednesday 4th March
Clean Up Australia

Australia now produces 2.5 million tonnes of plastic waste each year, equating to 100 kg per person. Of this, only 13% of plastic is recovered and 84% of it is sent to landfill. More concerning, around 130,000 tonnes of the plastic we consume contaminates the marine environment each year.

Tonight, we will be doing our bit to clean up Australia by collecting rubbish around the Scout Hall.

Activity Timing: 6:00 to 7:30 pm
Wednesday 4th March
