Unit Code of Conduct

The Raptor Scouts have developed a Code of Conduct to outline the rules and behaviour of the Unit to ensure everyone has a safe and fun time at Scouts.

1. Help Others

We are friendly and help each other whether we know the person well or not. We will share what we know and our skills.

2. Give Everything A Go And Don't Give Up

Challenge yourself to try something new! Face challenges with courage and try something again if it didn't go as plan the first time. All experiences can be learned from whether you reached your initial goal or not.

3. Be Respectful To Everyone

Being respectful includes; listening when others speak, using appropriate language at all times, accepting and trying other people's ideas for activities and games (even if we don't like their idea), following the instructions given by our Adult Leaders, Patrol Leaders and Assistant Patrol Leaders.

4. Learn From Our Mistakes

Treat our mistakes as a learning opportunity and think of different ways to do things.

5. Always Bee Positive

Approach others and activities positively.
