Unit Code of Conduct

The Venturers have developed a Code of Conduct to outline the rules and behaviour of the Unit to ensure everyone has a safe and fun time at Scouts.

Be Respectful – to others, to property and to the environment

Being respectful towards others includes; listening when others speak, being friendly and helpful, using appropriate language, respecting other people's ideas, being inclusive and nonjudgemental, following instructions, and respecting personal space.

Being respectful towards property and the environment includes; respecting other people's property, using resources and spaces wisely, tidying up after ourselves, following minimal impact guidelines, and leaving things better than you found them.

Cooperate Effectively

Get involved and have a go! If you are a lead or assist, commit to it, communicate effectively and ask for help if needed, use the platforms you have been given to communicate and plan activities. Don't be scared to share your ideas or try something new.

DADS free zone

Absolutely no drugs, alcohol, discrimination or sex while at Scouting activities or representing Scouts. This includes refraining from PDAs.

Keep Phones to a Minimum

Phones are only to be used when required for the activity. Always ask permission before taking or sharing photos.

Be Positive and Have Fun!

Always come to activities with a positive attitude, ready to get involved and have a good time!
