

Tuesday 23 June 2026

University Robotics Lab Visit

We are invited to visit the Flinders University robotics laboratory to learn how robots are designed and how tech helps solve everyday community problems.

Activity Timing: 6.30pm to 8pm
Tuesday 23 June 2026

Drop Off / Pick Up: Both drop off and pick up will be from:
Advanced Manufacturing Room, Main Assembly Building (MAB)
Enter via MAB Gate 1 which is next to the 5 storey Flinders University tower.
The AMA room is on the left and has a large floor to roof yellow sticker on the window
Flinders University at Tonsley Innovation Precinct
1284 South Road, Tonsley SA 5042
