CAMP INFORMATION

Get ready for a fun weekend of camping and exploring the City. We will be camping in tents at Blackwood Scout Hall and catch the train into the City for some fun sightseeing and activities. A healthy menu will be planned by Youth Leaders and provided closer to the event. Please ensure all dietary requirements and allergies are entered in your child's Consent2Go profile when RSVPing. Suitable menu alternatives will be provided for all dietary needs.

Illness

If your child is feeling unwell or displaying any signs of illness, they should **not** attend camp. This is to ensure the health and safety of all participants and leaders. Please monitor your child's health in the days leading up to the event and keep them at home if they are sick. If your child becomes unwell during camp, arrangements will be made for them to return home as soon as possible.

Medications:

Please ensure medical details are known to Leaders via Consent2Go, including relevant Health Care Plans.
All medication must be handed to a Leader at the start of the event.
A Y10 Medication Authority form (available from scout hall) must be completed for **each** medication. Clear written instructions should be given on its use.
Medicines must be in the youth's name and original pharmacy packaging or a recognised dose administration aid (e.g. Webster pack). All medications must be **in-date**.

**Weather
Conditions:**

It can get very cold outdoors during winter months, but it is still lots of fun. We will be sleeping in tents and sharing meals inside an enclosed building. Many activities will be held outdoors, including evening activities. Please follow the packing list and ensure your child's bedding will provide sufficient warmth.

Parents will not be able to camp with us during this event.

PACKING LIST

Pack Your Own Bag!

It is important that Cub Scouts take the lead in packing their own bag as this contributes to their Outdoor Adventure Skills (OAS) badgework and makes it easier to find their belongings when they need them.

It can get very cold outdoors during winter. Please pack plenty of layers for warmth and ensure bedding is suitable for **winter** temperatures.

Label Everything!

All personal items (clothing, hats and drink bottles) should be labelled with the youth member's name. Lost items are common – labels help us return them quickly.

Medications

Do not pack medications in your bag – all medication should be handed to a Leader at the start of the event. See medications information above.
