Information Session: Earning Badges and using Scouts | Terrain

7:30 pm Thursday 29th October

In the Nerx Den (building behind the Hall)

The session will last ~60 minutes.

This session can be attended by parents/caregivers with or without their child (children cannot attend on their own however). Each attendee is also requested to bring a laptop/tablet (wifi will be available).

Session Content:

How do you earn badges through Scouting? And what can you do to support your child to earn them at home?

The Scouts Australia Achievement Pathways allow youth members to work towards badges both at the Scout Hall and independently at home. The system is flexible, allowing each young person to work towards achievements that suit their strengths, interests and goals.

Our Scout Group uses the web-based system Scouts | Terrain to track youth members' achievements. Through Scouts | Terrain, parents and caregivers can participate in their child's achievements and easily see what tasks they need to complete to reach their badgework goals.

Come along and learn more about how you can support your child's achievements through Scouting. Please bring along any questions you have!
