- Supervise patrols crossing roads (patrols are made up of 2 to 7 Cubs).
- Follow online maps (like Google Maps) for your reference only.
- Bring along a fully charged and data enabled phone to be used to make phone calls in the case of an emergency. Phone cannot be used to navigate in accordance with the event rules.

If you are able to assist with this activity, please contact Matt using the details provided below.

If we have more youth members RSVP to attend than we are able to support with Leaders/supporting Adults, youth will be offered places based on the earliest date both permission and payment has been received.
