

Get ready for a day of sun, sand, and surf with The Big Splash! This exciting event is designed for Joey Scouts and Cub Scouts to dive into a variety of fun-filled aquatic and beach-based activities. From building sandcastles and playing beach games to learning about water safety and trying out different water activities such as swimming and boogie boarding, there's something for everyone. There will also be different activities (including a mobile climbing wall) in the reserve for those less water inclined.

Join us for a splashing good time where you'll make new friends, learn new skills, and create unforgettable memories by the sea.
