ABOUT US

Scouting is more than just camping. It's a place where young people build confidence, make lifelong friendships, develop practical skills, and experience exciting adventures in a safe and supportive environment. Through fun, challenge, and teamwork, Scouts empowers young people to become resilient, capable, and active members of their community. As one of the world's largest youth movements, Scouting brings together more than 60 million young people and volunteers across 176 countries and territories. No matter where life takes them, Scouts become part of a worldwide family united by shared values, friendship, adventure, and a commitment to making the world a better place.

Established in 2026, the Tea Tree Gully Scout Group was formed through the merger of the Ridgehaven Scout Group and the Hope Valley Scout Group. Both Groups proudly served the local community for many years, helping generations of young people discover adventure, develop confidence, and build skills for life through Scouting. By bringing together the strengths, traditions, and experience of both Groups, the Tea Tree Gully Scout Group offers even greater opportunities for young people to learn, grow, and thrive.

Today, our Group provides a welcoming and inclusive environment where young people build lifelong friendships, embrace new challenges, explore the outdoors, and develop leadership and teamwork skills. Together with the support of our dedicated volunteers and families, we continue the proud Scouting legacy of both Ridgehaven and Hope Valley while creating exciting opportunities for the next generation of Scouts.

Leaders and volunteers make it happen!

We can't wait to welcome you and your child to Scouting!

SUPPORTING — THE SCOUT GROUP —

Scouting is made possible by volunteers. Every Leader at the Tea Tree Gully Scout Group generously gives their time to plan exciting programs, organise activities, attend camps, and help young people grow through adventure and learning. Behind every great Scout Group is a team of supportive families working together to create these opportunities.

There are many ways parents and carers can get involved, whether you have an hour to spare occasionally or would like to take on a more regular role. Volunteers are always welcome to assist on the **Group Support Committee**, help as **Adult Helpers** on section nights and activities, support **fundraising events**, or lend a hand at **working bees** and other Group events. Every contribution, big or small, helps strengthen our Scout Group and enriches the experience for all our young people.

To ensure the safety of everyone involved, any adult to stay and help at activities **must hold a current Working With Children Check (WWCC) and a National Police Clearance (NPC)**. If you don't already have these, please speak with your **Section Leader or the Group Leader**, who can guide you through the application process.

All **Registered Helpers** are also required to complete the Scouts Australia online **Child Safe** and **Work Health and Safety (WHS)** training modules, which are renewed every **three years**.

Together, we can create an amazing Scouting experience for every young person. Your support helps our Group thrive, and we'd love to have you as part of our volunteer team.
